Focus on multiplexes on Bahubali 2 release

The much-anticipated Bahubali 2 will be released on Friday, April 28. Thanks to the strong buzz around the movie as a result of the epic ending of the first part, shares of UFO Moviez, one of largest digital cinema distribution networks in the country, will be in focus. Besides, Inox Cinemas and PVR will also attract market attention, as there were reports of cinegoers racing from one theatre to another in the hope of cornering tickets for a week-end show of Prabhas-starrer Bahubali.
