

## TECH VIEWS

# Close above 9,980 may take Nifty to 10,050

## SUDHAKAR PATTABIRAMAN

Investors should refrain from taking fresh positions in stocks where earnings are due. Traders can take fresh long positions, if Nifty manages to close above 9,980

## RAJESH PALVIYA

Unless the Nifty crosses 10,030-10,100, the market may witness selling pressure on higher side and it may erase its recent gains to retest the 9700 support level

## AK PRABHAKAR

Britannia, Bata, Thomas Cook, M&M Fin, Manappuram, Arvind, Tata Elxsi, Syngene, Philip Carbon, Chola Fin, and Sundram Fasteners are looking very good for decent gains in the next 3-4 months
