₹1,245-cr order bodes well for GTPL Hathway

GTPL Hathway has been appointed the Project Implementation Agency of Package B for implementation of BharatNet Phase - II Project in Gujarat by Gujarat Fibre Grid Network. The ₹1,245.77-crore project is on EPC basis and includes survey, design, plan, and execution with active/passive components with commissioning of complete network. GTPL Hathway, along with Polycab Wires Private Ltd, a wire and cable company, will jointly implement the project.

JK Tyre faces key barrier ahead of results

JK Tyre & Industries will announce its second quarter numbers, today. On Monday, the stock gained 1.6 per cent accompanied with good volume and closed at ₹98.1. This upmove has surpassed the 21-day moving average. Since registering a 52-week low at ₹87.7 on October 9, the stock has been trending up. A key resistance is at ₹100. Traders should be cautious as long as it trades below this level. A break can take it to ₹110 in the coming weeks.
